

HAZARDOUS GOODS DECLARATION FORM

You must complete a Hazardous Goods Declaration Form for any goods to be airfreighted. Movements International cannot arrange transportation of your packed-by-owner goods until they hold a completed declaration. Failure to supply this form will delay shipment of your goods. Please attention this form to the consultant who is handling your removal.

There are heavy penalties for making a false declaration.

NAME: _____

ADDRESS: _____

COMPANY: _____

DESTINATION: _____

I hereby declare that the packed cartons supplied by me to Movements International for shipment and/or storage do not contain hazardous goods of the type set out on this form.

SIGNATURE: _____

DATE: _____

The following list is a guide to some of the items found in the home that are considered hazardous and may not be carried by aircraft.

If you have doubts about any items not listed, ask your consultant if they can be moved or stored. Do not pack hazardous goods in packed-by-owner cartons.
